Dance Marathon 2008

What is Dance Marathon?

Dance Marathon is a year long fundraiser culminating in an amazing 15-hour event that will bring together all parts of the CoC campus and Charleston community in an effort to support the patients of MUSC Children’s Hospital. Participants will find themselves quickly involved in Dance Marathon sponsored events like benefit concerts, canning, and letter-writing parties to raise money throughout the semester. These efforts conclude on the night of January 18, 2008 at the College of Charleston’s Kresse Arena, where hundreds of individuals will gather together to celebrate the lives and achievements of the Miracle Children we help save! Bands, entertainers, games and food will fill the night, but the most memorable times occur when the patients and their families share their stories of struggle and triumph.
